History

Roundtable 2009 is an annual event held by United Neighborhood Centers of America (UNCA) to promote the on-going professional development of executives, senior managers, emerging staff leaders, and board members agencies and similar non-profit community-based organizations.

Content

Roundtable 2009 will focus on individual and organization leadership skills, succession planning, business development, financial management regulations and emerging program and resource development opportunities.

Commitment

We ask that you send your chief executive, a board leader, and an emerging leader to attend Roundtable 2009 for networking involvement and skills building.
